Sir:

Kindly enter Applicants' comments without prejudice as follows:

Comments on the Substance of the Interview

A telephonic interview was conducted on October 22, 2003 between Examiner Jalatee Worjloh and a representative (Daniel Wasil, Reg. No. 45,303) of Applicants. With respect to the Decision on Appeal dated October 8, 2003, Applicants' representative and the Examiner discussed a proposed amendment for claim 27. Applicants' representative respectfully requested that the proposed amendment be entered by Examiner's amendment to place the application in condition for allowance. The proposed amendment was sent to the Examiner on October 22, 2003. The discussed proposed amendment to claim 27 was as follows:

27. (currently amended) The method according to claim 16 wherein the computer is operative to cause the carrying out of the portion of the banking transaction responsive to at least one software applet carrying out of at least a portion of a banking transaction with the transaction function device includes executing software applet instructions.

Respectfully submitted,
